

Whether you are just entering high school or preparing for your final year, ACE facilitates **FREE** experiences and resource connections that support students and family members as you:

- EXPLORE** passion areas that lead to academic exploration and career goals
- LEARN** academic and personal development skills you can apply now
- MAKE** informed decisions about your goals and pathway into college
- CONNECT** with financial and other college-prep resources
- PREPARE** for your college transition

Events & Programs

College Visits, Workshops, and College Events

During this time of virtual learning, we are continuing to partner with our sponsoring colleges and universities to offer "creative" access to programs and resources.

Sample Topics:

- Financial Aid
- Healthy Living
- Career Readiness
- Academic Success Skills
- Choosing a College Major
- College Application Process
- Advocating for Your Student

"This program has allowed me to feel that I can succeed in a college setting and in my community."

LN, McGraw

- Curious if college is for you?
- First to attend college in your family?
- Baffled about the variety of college experiences you are applying for?
- Want help with the application process?
- Exploring college resources that can meet individual needs and interests?
- Seeking a financial pathway?
