## ACE WELCOME NEWSLETTER

Cornell University

Ithaca College

SUNY Cortland

Tompkins Cortland Community College

Welcome to ACE! As you know, our community is larger than just your local high school peers and family members. Staff and faculty of our four supporting colleges and universities, local community business entrepreneurs, and various community services are all here to support you along your journey. What is this journey you ask? Your quest to determine how continuing your education after high school can support your career and life goals.

### Getting Started:

1. ACE is self-directed, meaning the more you participate the more you will get out of this experience.
2. Primary communication strategies include email, website, and social media. Your school counselor is also a great resource.
3. Regular participation in ACE events and maintaining a level of academic success qualifies you for a college application recommendation letter and potential scholarship opportunities.

We look forward to getting to know you and supporting you over the next few years!

Warm Regards,  
Erica L Shockley

## ACE NEWS:

### New ACE Participant Orientation

Within your first month of school, plan on attending your first program - ACE Orientation.

### Semester Events

Continue to check the ACE website for new program opportunities. These will be publicized as soon as they become available.
